Dubai World Cup Shipping Conditions

All shipping arrangements will be co-ordinated through Janah Management Co Ltd by their appointed shipping agents.

For horses invited to run on Dubai World Cup night, the Dubai Racing Club (DRC) will pay or provide for:

- The following expenses for overseas horses, for the duration of their stay in Dubai, prior to and including the running of all races on the Dubai World Cup programme:
 - a) feed, fodder, bedding, water and basic horse care products
 - b) shoeing (non-therapeutic)
- Please note that horses travelling from GCC countries will receive a travelling allowance based on the current commercial rate as determined by the Dubai World Cup Committee.

All horses will share a pallet, where possible, providing each horse with a stall and a half.

When tack, equipment and specific feed etc. cannot be accommodated within the pallet, all additional goods must fit into an LD3 container.

Any change from the transport arrangement suggested by the DRC which incurs additional cost will be at the owner's expense. The shipping arrangements of all horses will be organised by the DRC appointed shipping agents.

The DRC and its transport agents will not be liable for any death of or injury to any invited horses during transportation to and from the United Arab Emirates or while in the United Arab Emirates.

Horses from the same region will, as far as possible, travel on the same flights.

The DRC will arrange and cover the normal costs of return transport by road from home stable to departure airport, and return air transportation to country of origin based on existing cargo routes. However, any costs relating to a period spent in quarantine on return to their home country will be at the owner's expense.

Grooms: One groom can travel per horse, if space permitting, at the DRC expense.

If he/she is unable to travel with the horse, the DRC will provide an Economy Class air ticket, at the DRC discretion.

The DRC will not be responsible for horse insurance.

Connections should have their own insurance arrangements.
